World's best scrambles Eggs

This recipe is a very special breakfast: just look at the ingredients to see why it has to be tasted to be believe

Ingredients

The following ingredients make one serving

- 2 Eggs
- 1 table spoon of butter
- 1/3 cup of cream
- A pinch of salt
- freshly milled black paper
- 3 fresh chive (chopped)

1. Wisk eggs, cream & salt in a bowl
2. Melt Butter in a nonstick pan over a high heat (*taking over not to burn the butter*)
3. Pour egg mixture into pan and wait until it starts setting around the edge of the pan (around 20 seconds)
4. Using a wooden spatula, bring the mixture in to the center as if it were an omelet and let it cool for another 20 seconds
5. Fold content in again, leave for 20 seconds and repeat until the eggs are only just done
6. Grind a light sprinkling of freshly milled paper over the eggs and blend in some chopped fresh chives

You should only makes a maximum of 2 servings per frying pan

IV.

A screenshot of a web browser window displaying a form titled "Personal data Collection Sheet". The browser's address bar shows "file:///C:/...". The form contains the following fields and elements:

- A heading: "Personal data Collection Sheet"
- A sub-heading: "Send your personal data using following form"
- A "Name:" label followed by a text input field.
- A "Comments:" label followed by a text area containing the placeholder text "write your comment here."
- A "NIC:" label followed by a text input field.
- An "Area of Interests:" section with checkboxes for "Maths", "Biology", "Chemistry", "Physics", and "Computer Science".
- A "sex:" label with radio buttons for "Male" (selected) and "Female".
- A "Level:" label with a dropdown menu currently showing "Admitted".
- "Submit" and "Reset" buttons at the bottom.

The browser's status bar at the bottom shows "Done" and a "zotero" extension icon.
